IN THE SUPREME COURT OF MISSISSIPPI

No. 2020-AD-00001-SCT

***IN RE: EMERGENCY ORDER RELATED TO
CORONAVIRUS (COVID-19)***

EMERGENCY ADMINISTRATIVE ORDER-5

Consistent with the Court's prior Emergency Administrative Orders entered in this matter, the Supreme Court and the Chief Justice, in his capacity as chief administrative officer of all courts in the state, reiterate that, pursuant to the Constitution of this State, all local and state courts – municipal, justice, county, chancery, circuit, and appellate courts – shall remain open to ensure the fulfillment of their constitutional and statutory duties. *See, e.g.*, Miss. Const. Art. 3, § 24 (“All courts shall be open . . . and justice shall be administered without sale, denial, or delay”).

That said, in the prior Emergency Administrative Orders, the Court has recognized that the national and state emergencies created by Coronavirus (COVID-19) require appropriate measures to protect the health and safety of the citizens of this State. Those measures are constantly changing and the Court continues to modify its orders to hinder the spread of COVID-19. For instance, consistent with the Interim Guidance of the Center for Disease Control (CDC) dated March 15, 2020, Emergency Administrative Order-2 prohibited, *inter alia*, all courts in the state from “permit[ting] gatherings of more than 50 people beyond the persons involved in the day-to-day operations of the courts.” The CDC has since recommended that gatherings be limited to no “more than 10 people for organizations that serve higher-risk populations.”

Given the pandemic nature of this emergency, and to the end of ensuring constitutional rights are protected in a manner consistent with the general welfare and health of the

citizens of this State, the prior Emergency Administrative Orders in this matter are clarified and amended, as follows:

IT IS THEREFORE ORDERED:

1. All courts are urged to limit in-person, courthouse contact as much as possible by utilizing available technologies, including electronic filing, teleconferencing, and videoconferencing. *See, e.g.,* MRCrP 1.8(c) (outlining permissible proceedings for “[a]pppearance by interactive audiovisual equipment, including video conferencing”).

2. Judges’ offices or court clerks’ offices shall remain accessible by telephone and email, to the extent possible, during regular business hours. If available, drop boxes should be used for conventionally-filed documents.
