TO THE LAND TITLE ASSOCIATION:

Please let this serve as a notification that as of June 1, 2021, with regard to all land recordings, the Adams County Chancery Clerk's office will become paperless with all recordings being maintained only in electronic form. As a result, this will necessitate that cancellations will have to be presented and recorded and we will no longer be able to cancel instruments "on their face". This change will not affect how documents are presented to our office for recording. The original instrument will still be presented to the Chancery Clerk's office for recording and will be returned to the preparer. Our office will just no longer be keeping land record books.

If you have any questions, or need any additional information, please feel free to contact our office at 601-446-6684 or you can contact me via email at blewis@adamscountymiss.gov.

Sincerely,

s/ _____
